Dear Madam,

**RE: TRUTH & JUSTICE DIGEST:
KREIGLER COMMISSION**

Electoral Commission of Kenya (ECK) would like to thank you for sending to it the publications with your letter of 21 October 2008. We shall study them properly.

We wish to add, with respect, that though there are numerous findings in many reports on the 2007 general elections which ECK can demonstrate are incorrect or inconsistent with other findings in the same reports, ECK has taken the view that the thrust of Independent Review Commission's (IREC) report is worth implementation and ECK will cooperate fully towards that end. To ECK our country has talked for too long and now is the time to resolve our problems with solemnity, sincerity, and resolve.

Yours faithfully,

S. M. Kivuitu
Chairman
